Press Release

Take Off - The Flight Simulator

Flight Simulation will be available for Nintendo Switch™ soon

Düsseldorf/Germany, February 16, 2022 – astragon Entertainment and developer Jujubee are pleased to announce that **Take Off - The Flight Simulator** will be released for Nintendo Switch™ on March 30, 2022.

Take Off - The Flight Simulator is very popular among the gamer community on mobile devices and PC. Owners of a Nintendo Switch™ console will soon be next to take to the skies.

About Take Off- The Flight Simulator

A total of 24 different airplanes with realistic cockpits are available to aviation enthusiasts. These include different models of airplanes such as classic passenger airplanes, seaplanes, and transport planes. Pilots can explore the beautiful island of Hawaii in free flight mode but also prove their skills in 50 exciting missions, including sightseeing tours, or exciting rescue operations.

The game also features a total of 21 famous airports as destinations. After founding their own airline, players will be able to fly to famous cities like New York, London, Sydney and 18 others. Individual design options make their airplane fleet a real eye-catcher in the sky.

Take Off - The Flight Simulator will be released on March 30, 2022 for Nintendo Switch™ and will be available digitally on the Nintendo eShop for 14,99\$/14,99€/13,49£.
